Understanding Federal Government Operations, 1983/84

1. The Brookings Institution has requested that the Agency participate in its Public Policy Conference for Corporate Executives on Understanding Federal Government Operations. This is to request that you and your Deputy serve as host, at one of twelve luncheon briefings in 1983/84. We also ask your cooperation in identifying members of your staff to participate as table hosts and discussants in the briefings.

2. Dates for the 1983/84 programs are attached. The format for the programs will continue as in the past: luncheon in the Executive Dining Room at 1200 hours, followed by a briefing in the DCI Conference Room at 1300 hours concluding at 1400 hours. You or your Deputy would serve as hosts for the sessions, with middle- to senior-level Agency officers participating as luncheon table hosts and discussants during the briefing. The latter will consist of a 10 to 15 minute overview of the CIA and the Intelligence Community by the host; followed by a question and answer period in which the Agency discussants, selected for their geographic and functional expertise, will participate by answering questions from the Brookings Conference visitors. The cost of the luncheons are borne by the Brookings Institution.
